Productions run Friday through Sunday (matinee). New this year: The play selection committee is proposing musicals include a Saturday matinee for either one or both weekends, and possibly no Thursday night performance (Friday night, Saturday matinee, Saturday evening, Sunday matinee). We would love to have a conversation with any directors who are interested in directing a musical to discuss scheduling options.

Do you have any thoughts as to what play(s) you'd be willing to direct?

(Please list 3 including author and publishing company and any other pertinent information.)
